98	<p>Update on work programme.</p> <p>Waste & Recycling campaign – Cllr Nick Gardiner was the lead for this project, no update was available. The Clerk will clarify progress to date. Cllr Allen asked if anyone wanted to pick this work up, Cllr Ian Brown offered to do so, Cllr Jessica Davies offered to support.</p> <p>CCTV – this is now installed, apparently the light is now permanently on. The Clerk has raised this issue with the CCTV partnership who installed the camera. To date the invoice has not been received. Cllr Robert Logan reported to the meeting the discussion held at the Highways & Grounds Maintenance committee the previous evening regarding CCTV in the District Park. This has been looked in to before but there is no power source available. It had been suggested that an approach be made to NHDC.</p> <p>Coat of Arms – A sketch of the sign has been circulated to include the pylon. It was agreed that this is not a coat of arms as such and should be referred to in future as a community sign. The next stage is for the artist to produce a colour picture. This is being actioned.</p>	IB/PK
99	<p>Identify any future work programmes – including revisiting the survey and referring back to the community.</p> <p>A request for ideas had been asked at the last full council meeting but nothing had been received in time for this meeting. It was agreed that this will go back to the next full council meeting. It was pointed out that when the community is consulted again, ideas put forward need to be realistic and reasonable.</p> <p>Cllr Matt Allen asked the member of the public present what they thought about this. They were aware of an exchange on the Community Facebook page for residents and felt that boundaries need to be set when asking people what they want.</p> <p>It was pointed out that Facebook posts (aside from posts by the Clerk) are personal comments and do not represent the Community Council.</p> <p>This particular resident is interested in engaging young people to stop them from hanging about the park.</p> <p>Cllr Robert Logan explained that the Community Council used to support a youth club that was held at the Community Centre. This no longer ran due to the lack of youth leaders but the Community Council would support youth initiatives in future.</p> <p>Cllr Matt Allen stated that a discussion would be held at the next full council with view to revisiting the community with some options.</p>	

Minute No		Action
100	<p>Consider any suggestions for a post lockdown event</p> <p>A suggestion was made to involve the DJ's who had mostly been so popular during the Thursday night hand claps for the NHS staff. Street parties were suggested. After discussion it was suggested that it might be difficult to identify when lockdown is over and that encouraging mass gatherings was probably not a sensible idea. Local street parties would avoid one big, large event. No decisions about recommendations were made.</p>	
101	<p>Dates for next meeting – Thursday 23rd July at 7.30 pm (virtual unless notified otherwise)</p> <p>All following meetings will change to Wednesday evenings to prevent clashes with NHDC meetings.</p> <p>Dates as follows:- 2nd September, 14th October, 2nd December, 27th January 2021, 17th March 2021, 12th May 2021</p> <p>The meeting closed at 20.09</p>
